Dear Mr Miles:

I am writing to ask you to call me on the telephone. My number is Market 3-2641. The matter I wish to talk to you about, I believe will interest you. If not maybe you will be able to tell me who to get in touch with.

I will appreciate a call as soon as possible. It is a favor I am doing for some one else, and I would like to give them an answer.

Very Truly Yours

P.S. This Hazel Scott enclosure is an afterthought.
